

To Whom It May Concern:

As an experienced Elder Care Attorney I have often used Absolute Angels to provide services to my elder clients. While my office has used other agencies in the past we prefer to refer to Absolute Angels because of the array of services they offer and their ability to adapt to the individual needs of our clients.

Many elderly clients are set in their ways and adjust with difficulty to receiving assistance in the home. Abs. Angels are excellent in adapting to each individual clients needs and personal likes and dislikes. They have also proven their skill at reacting swiftly to health emergencies. On such occasions they have acted to immediately secure medical intervention and quickly alerted the Guardian or Health Power of attorney of the event.....

Absolute Angels offers an array of services which other agencies either will not or cannot perform such as lawn mowing, house repair, shopping companions etc. We use them whenever possible because we have learned that they can be relied upon to do the job and to be accessible to the responsible party.
