

I have been taking care of my Mom for ten years in my home. I work full time and things were really hard for me trying to take care of her needs by myself. At the very first interview, I knew I had made a good choice hiring Absolute Angels to help me.

Then the caregivers started to come to help. They took such care in forming a positive relationship with Mom. After a little over a year I know Mom considers these women to be her friends.

Not only did they help her with personal needs like taking a shower, they gave her the much needed interaction on a truly personal level. Besides doing that they did cleaning, laundry, and cooked her a hot lunch. Not only did the caregivers form a relationship with Mom they went out of their way to be there for me. I consider these women to be my friends too. They have made a huge difference in Mom's quality of life. I wish I had hired them years sooner. These people are as the agency name says, ABSOLUTE ANGELS.

Thanks to all of you who have been a part of Mom's care.
